(**Average lead – 230 Kms – One way**)
 - From Gwalior Madhya Pradesh to Budaun, Budaun District Uttarpradesh
(**Average lead – 280 Kms – One way**)
-

We are a reputable and well established company in the midst of an expansion plan to undertake large scale road projects. In view of this we are inviting experienced and eligible contractors to submit an Expression of Interest to participate in any of our upcoming projects in the near future.

1 Eligibility:

For demonstrating technical capacity and experience, the Contractor must have carried out the work of transportation of aggregates in the past 3 years and have capacity to transport on average 3000 MT of Aggregates per day. Approximate quantity of Transportation of Aggregates to be awarded for each package shall be 20,00,000 MT to be completed in 26 months time duration.

2 Submission of Expression of Interest (EOI)

Submission of EOI shall be done online vide link provided along with the following annexures:

- Company Profile and Financial details of the Contractor's Company.
- Details of Equipment and Machinery presently available with the Contractor.
- Equipment and Machinery proposed and to be deployed by the Contractor.
- Completed projects for last 3 years and highlight ongoing projects if any
- Completion Certificates from the Employers for the completed projects.
- Net worth value of the company
- Income tax assessment order for last financial year.
- GST no. and assessment details for last financial year.

3 Transportation of Aggregates :

The scope of contractor involves transportation of crushed aggregates from IJMII predetermined crusher locations to various site locations along the project alignment. The details of transportation along with average lead are as follows:-

- From Crusher Plant, Khushalipur Village, Saharanpur Uttar Pradesh to Meerut Hapur Road - **Average lead – 230 Kms** (one way)

- From Crusher Plant, Gwalior Madhya Pradesh to Budaun, Budaun District Uttar Pradesh - **Average lead – 280 Kms** (one way)

The Contractor has to mobilise required no. of dumpers for transportation of aggregates to meet the desired targets. Payment shall be MT per Km basis of aggregate supply as per actual as per the BOQ to be shared with the selected contractor. IJMII shall install weigh bridges and the scope of the contractor includes weighing the aggregates through static weigh bridge at loading and unloading points.

The Expression of Interest along with annexures detailed above can be submitted online through the below link.

<http://27.116.18.125:8099/Tenders/Tenders.aspx?PRJ=7&PA=54>

The documents shall be submitted on or before **5.00 pm on 7th October 2021**.

Any clarifications/queries may please be addressed to ijmiicontracts@ijm.com

There will be a separate process for Notice Inviting Tender (NIT) to be initiated at a later stage.
